Principal Auditions

Congratulations to everyone who came along to the auditions. We are delighted that we have nearly cast the show. Principal rehearsals will continue on a Thursday at Linlithgow Academy.

Social and Fundraising

Unfortunately we had to cancel the quiz night due to lack of support. We cannot stress how important fundraising is to us to ensure that we can continue to have an excellent standard of show.

Our Deacons Night is **Saturday 16th June**. Everyone is welcome to take part - we meet at the West Post at 6.15pm and the procession leaves at 6.30pm. We head along to Tesco and round the cross where our Deacon and My Lord are installed. We then head to the Masonic Hall and fraternise with other organisations from the town along with the Provost and Deacons Court and Dyers. The bar will be open and nibbles will be provided. Wear your LAMP hoodie/polo shirt.

For the Marches, **Tuesday 19th June**, there will be a contingent meet at 8.30am for breakfast in the Old Post Office. The procession leaves from Tesco at 11am (meet anytime after 10am at the Laetare) and heads to the Bridge Inn before it heads back along towards Tesco. For those unable to join us during the day you are welcome to join us at night where the procession leaves at 5pm from Tesco and goes round the cross

Prize Bingo

We are having a prize bingo on **Wednesday 12 September** in Linlithgow Rose Club. We need 12 line prizes (value £5-£10) and 12 house prizes (value £10-£15) and lots of tombola prizes. Examples of prizes may be a couple of mugs with some tea and biscuits or tea towels, a gift voucher, wine glasses and wine etc. We will also require donations of sandwiches and baking (tray bakes, loaves etc) for the night. Tickets will be going on sale after the summer break and Val will have a 'supper' list.

2019 Show

Following the EGM on 29th May we are looking to the company to put forward suggestions for our October 2019 show. Please hand to any member of the committee before the 26th June (the last rehearsal before summer break). If you would be interested in being on the show reading panel then please speak to Gregor to register your interest. You will receive a copy of the amended constitution via e-mail.

NODA

Start having a think if you may be due a NODA award at this years show. Forms will need to be in and completed by the beginning of September to Jennifer so we have them back in time for the show. Forms will be available after the summer break but have a think now.

The NODA magazine are looking for people to feature in their Centre Stage feature. Have you played the part you always wanted to play? The one part at the top of your bucket list? If so get in touch with info@noda.org.uk and they will be in touch with you.

There is now a NODA Region 3 closed group Facebook page. If you would like to be a member then please get in touch with Elizabeth Donald (e-mail address is in the column on the left) so that she can verify and accept you as a member.
